## REPUBLICANS AND PROGRESSIVES SHOULD FALL IN LINE FOR WILSON

(By B. F. Fly)

With a decrease of enthusiasm never before shown in a political convention in the United States, President Woodrow Wilson and Vice-President Thos. R. Marshall were re-nominated last night in St. Louis for the two very highest offices in the gift of the people.

So unanimous was the sentiment in favor of these two tried and trusted statesmen that even Col. William Jennings Bryan mounted the platform and made a ringing speech in favor of the gallant standard-bearers of the grand old Democratic party.

It has been my great pleasure to have taken part in every presidential campaign since 1884, when Grover Cleveland was nominated the first time. This is the first time in my recollection that a president and vice-president have been nominated by acclamation without a dissenting vote. That of itself shows most conclusively that the Democracy stands very solidly behind its nominees. It also shows that the democracy approves the course that has been followed by President Wilson, not only in demanding the enactment of the constructive legislation that has been put in our statutes, but that the great body of democracy heartily approves of the wise course pursued with regard to our foreign relations.

And the daily registration of our erstwhile enemies as Democrats very plainly shows that even Republicans and Progressives in large numbers approve of Woodrow Wilson's policies.

If the Republicans and Progressive leaders had not been so dead bent on destroying each other they would have advocated the nomination of Wilson and Marshall by their respective conventions. But they had to keep up their party organizations, at least that was the cry of the standpatters. For that reason they each nominated a man of their choice, not with any idea of electing him, for this they well know they can not do, but merely to "keep up the organization" so the other faction would not steal it.

What a great pity that this is true, or if there ever was a man who deserves every vote of his countrymen, Woodrow Wilson is that man. That he will be triumphantly elected there does not seem the shadow of a doubt. Hughes won't get as many votes as Taft got.

Mark that down.

#### Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition hearing will be destroyed forever, nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, etc. Take Hall's Family Pills for constipation.

#### Bowel Complaints in India

In a lecture at one of the Des Moines, Iowa, churches a missionary from India told of going into the interior of India, where he was taken sick, that he had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy with him and believed that it saved his life. This remedy is used successfully in India both as a preventive and cure for cholera. You may know from this that it can be depended upon for the milder forms of bowel complaint that occur in this country. Obtainable everywhere.
